Dear Friends,

We have reached a critical stage in the life and ministry of Naremburn Cammeray Anglican Church.

Over recent years, by God's grace, numerical growth has placed immense strain upon our facilities. We have realised that some strategic and significant building works need to be started, in order to serve the ministry we undertake.

I am all too aware that much needs to be done, but I am also aware that this needs to start with someone (you and me) at some time (now).

I have already admitted to some fear in embarking upon a building project; yet I have been greatly encouraged as I have seen people empathise with the problems we face and wrestle with the challenges of finding a solution. I have witnessed heartfelt concern, prayerfulness, and generosity. Most encouraging of all, I have seen people take genuine initiative in the ministry, not just for the short term, but also for the generation that will follow.

The time has now come for us to make our pledges of financial support. I am writing to urge you to consider giving generously to the Parish Ministry Centre project.

Some will be able to give much, others will feel their contribution is insignificant. But it will only be as we all contribute what we can that we will be able to begin this work. I am confident that all the background work has been seriously and diligently undertaken. Now, as we work together, I am sure God will be able to accomplish even more than we dare ask or imagine.

Therefore please give serious and prayerful attention to the information enclosed.

We do not want to drag these plans out endlessly. We ask that you complete and return the enclosed card by Sunday 4th March 2007. This will allow our leadership to make decisions about how to proceed prior to the Annual Parish Meeting.

If you know someone that you believe would like to contribute, you may like to pass some information on. If you have any questions, please speak with me or any of the leadership team at the Naremburn Cammeray Anglican Church. You can also direct questions to us via our dedicated email address pmcproject@ncachurch.com. Up to date information on our plans can also be found at www.ncachurch.com.

Kind regards,

Rick Smith
Senior Minister

Parish Wardens
