Hi Everyone - here is the new **NEW** roster. Again - it is not a repeating pattern so you need to keep an eye out for when you are on. I will put a copy up the back of church - can you mark the changes on the so we can set up efficiently for sound etc. Can you also let me know by text or email of any changes you need to make.

COMPUTER PEOPLE - welcome to the music roster. We see your job as an integral part of our team - hence your inclusion here.

Rehearsals BEGIN at 430pm -

MUSICIANS need to be there with your instruments ready to plug in to the system at this time.

COMPUTER people need to be at the church at 5pm to set up the computer from scratch and check that the songs are loaded properly and are aware of any other audio visual needs during the service.

If you are running even 5 minutes late you need to text the PIANO player and let them know.

Thanks again for all your hard work, Bel (0424-021-885) belsmith@aapt.net.au or office@ncachurch.com
